All animals must be broke to show.

All members must be present for show and show their own animals for all species. In case of illness, or two in the same class, or circumstance beyond exhibitor’s control, a "special exception" by the 4-H Agent or FFA Advisor may be made, allowing another member of the club to show the animal.

County Ham project members will give their speech during the week before the fair. Date to be announced. Speech will count 60% of total score, ham 40%.

A commission of 5% of sale price will be charged. These funds will be used by the 4-H/FFA Livestock Committee to purchase supplies, trophies, & other materials as needed to support the Livestock Program.

This is a partial listing of rules, please see 4-H and FFA Livestock Program Rules & Regulations elsewhere in the Fair Book.

The Tyler Cummins Memorial Sale of Champions has been established not only in his memory, but to enable deserving youth to continue their education in areas of 4-H, FFA and Agriculture by awarding a scholarship to a deserving member. It is our sincere hope that his legacy will help the future agricultural leaders from our area to grow and realize their dreams.

All proceeds from the Sale of Champions benefit the 4-H/FFA program and participants.
